Community Partners,

It is time to start preparing for the 2026 Junior Civics Leadership Academy taking place June 13-19, and we are offering you the opportunity to be a sponsor!

JCLA is a 7-day conference for high-schoolers. During the week, participants will cover topics including community development and federal, state, and local governance. Students will also hear from elected officials across all three levels of government and meet with leaders from Mississippi State. After a week at JCLA, students will receive three hours of elective credit to go towards their college degree at Mississippi State University. Students walk away with a tangible project idea to assist their community and knowledge of how governance in the United States and Mississippi operates.

Sponsorships help make this week possible by paying for meals, transportation, and activities. We offer day-to-day sponsorships, which you will find in the following pages. As a sponsor, you will receive an advertisement in the JCLA Program, your organization's logo on the JCLA website, and recognition at Opening and Closing ceremonies.

The deadline to become a JCLA sponsor is **Sunday, May 31, 2026 at 5:00 PM.**
